•	APPROVAL OF STATE ENGINEER			
	This is to certify that I have examined the foregoing application, and following limitations and conditions:	do hereby grant the same, subject to the		
; ;	This permit is issued subject to existing rights. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. It is also understood that this right must allow for a reasonable lowering of the static water level. This well shall be equipped with a two (2) inch opening for measuring depth to water. If the well is flowing, a valve must be installed and maintained to prevent waste. A totalizing meter must be installed and maintained to prevent waste. A totalizing meter must be installed before any use of water placed to beneficial use. The totalizing meter must be installed before any use of water begins, or before the Proof of Completion of Work is filed. This source is located within an area designated by the State Engineer, pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times. The total combined duty of water under this permit and Permit 31341 shall not exceed 14.67 million gallons annually.			
	The amount of water to be appropriated shall be limited to the amount whi	ch can be applied to beneficial use, and		
	not to exceedcubic feet per second			
	14.67 million gallons annually.			
	Actual construction work shall begin on or before	April 29, 1981		
	Proof of commencement of work shall be filed before	May 29, 1981		
: :	Work must be prosecuted with reasonable diligence and be completed on or be			
	Proof of completion of work shall be filed before	May 29, 1982		
	Application of water to beneficial use shall be made on or before	April 29, 1984		
	Proof of the application of water to beneficial use shall be filed on or before.	May 29, 1984		
	Map in support of proof of beneficial use shall be filed on or before	S.N.O.
